KONICA MINOLTA

SymQuest GEM:IFB 021-C - Staples included

Affordably priced, with a small footprint and compact design, these devices are highly suitable for space-conscious customers with a tight budget. These engines are an excellent value-add to any office environment—from small office to medium-size businesses or enterprise accounts that have a need for printers in executive areas or in satellite offices with limited space. They are easy to use and maintain, operate quietly, offer secure network communications, secure print and Active Directory support.

The bizhub 5020i All-in-One highlights include:

- Print/Copy/Scan/Fax functionality
- PCL6, PostScript 3 and XPS emulations
- Automatic duplex unit
- bizhub 5020i: 80-sheet automatic document feeder
- Hi-Speed USB 2.0
- Mobile print support

The latest addition to the new generation of the bizhub A4 series, the bizhub 4050i monochrome MFP. The updated A4 model maintains the company's objective to create value, ease, and convenience for our customers while also taking into consideration a changed work environment with more people working from home. The A4 MFP model incorporates features that are simple enough for use at home yet still offer advanced features for a professional office setup. The bizhub 4050i replaces the 4052. The specifications of the 4050i are essentially the same as the C4050i/C3350i, except for its speed and monochrome only printing. It also features color scanning.

Features -

- 4050i has a speed up to 42 ppm
- 5 GB Memory pre-installed
- Full-size 20K toner cartridges
- Built on KM engines
