Dear Supervisor Cashman and members of the Town Board,

After due consideration, I am writing to request that we enter into an agreement attached hereto with Edmunds GovTech to add-on the software they will provide which will allow residents of the Town of Plattsburgh to renew their current dog licenses online.

The agreement has been reviewed by James Coffey and the cost was proposed and agreed to within my budget for this 2023 year. I am excited to see how the residents will use this convenience.

Thank you,

Katie Kalluche

Town Clerk, Town of Plattsburgh
