March 1, 2023

Dear Town Supervisor and Town Councilpersons,

After speaking with Steve Waldron of Building & Grounds and looking at the Court (Tennis/Pickleball/Futsal) re-surfacing maintenance list, we have determined that the Cadyville Tennis courts should be re-surfaced in 2023.

We have received two quotes from companies (Advantage Tennis and Vermont Tennis Court Surfacing) and have found Advantage Tennis is the lowest quote for the resurfacing that we require. I have also requested quotes from Vermont Recreational Surfacing & Fencing, Sport Tech Construction (Brewster, NY), and Oval Tennis (Somers, NY), but have not received any responses from them. I am requesting approval to use Advantage Tennis for the resurfacing project with their quote of \$12,900 by using the Budget Account: Park Field Maintenance Account A1620.4116 for 2023.

Thank you,

Erin Pangborn
