Re: 2009 Trackless MT-6

I am requesting a resolution to purchase a used 2009 Trackless MT-6 with angle plow, snow blower, sander and rear camera from Beauregard Equipment. Our price would be \$14,500.00. This will be to replace one of our current Trackless. A new basic Trackless would cost \$140,000.00 plus \$20,000.00 for the snow blower. Payment will come from the Highway Budget Equipment & Capital Outlay Account #DAA.5130.2000.0000. If you have any questions, please let me know.

Sincerely,

Tim DuBrey
