- Review of other related materials

It is the opinion of the members of the Town Board that the best interests of the Town of Plattsburgh will be served by the adoption of ARKW, LLC PDD Draft Regulations and related Zoning Map Amendment; and

The proposed amendments are in conformance with the Town's Comprehensive Plan for the reasons set forth:

- The 2010 Comprehensive Land Use Plan states the following
 - *We strive to attract new families to our region and to encourage our region's children to remain or return. We advocate for a better integration of work and play, with commercial areas zoned and designed with public access and recreation in mind. We also advocate for a healthy community, with walking and bicycling trails that knit together our neighborhoods.*
 - *Green infrastructure resources provide residents with countless recreational opportunities (i.e. walking, running, biking, kayaking, horseback riding, cross-country skiing, snowmobiling, and hunting). Outdoor activities not only promote individual health, which in turn reduces stress, they reinforce friendship and communal bonds as well.*
 - *Cadyville and Morrisonville are traditional hamlets. They feature a small, built-up core which quickly transitions to more rural housing on larger lots.*

They have neighborhood scale commercial facilities.

- The 2010 Comprehensive Land Use Plan recommends that the Town should examine the zoning district designations, boundaries and uses in the Route 3 and Tom Miller Road corridors to ensure that they meet the Town's commercial needs while not resulting in sprawl or other negative consequences.
- The 2013 Economic Development Strategic Plan Goal 1 recommends that the Town "Develop a business-friendly environment to retain and expand the Town's tax base and provide existing and future residents with a wide range of business, employment, and career opportunities."

For these reasons, the Town Board finds the consideration of this PDD and associated zoning amendment to reflect the purpose and intent of the collective Comprehensive Plan.

NOW THEREFORE BE IT, RESOLVED, that the Zoning Map of the Town of Plattsburgh be amended as follows:

Zoning map amendment for parcel 205.-3-2.1 located on NYS Route 3, changing the existing zoning district of said parcel from Residential (R2) with PDD Overlay to ARKW, LLC Planned Development District as depicted on the draft map titled "Parcel 205.-3-2.1 To Be Considered for Planned Development District"; and be it further

RESOLVED, that the Town Board hereby adopts the associated zoning regulations titled *ARKW, LLC PDD Regulations*; and be it further

RESOLVED, that said amendments be entered in the minutes of the meeting of the Town Board of the Town of Plattsburgh, held on June 12th, 2025; and be it further
