**\* Zoning Board meetings are scheduled for 6:00 p.m. in the Town Hall meeting room.**

*\*\* Certain development projects can have countywide or inter-community impacts, affecting a greater area than the local municipality in which the project is actually being established. General Municipal Law, Article 12B, Section 239, establishes a procedure for County level planning review of certain projects that require local zoning and planning approval. The goal of this review is to provide better coordination of planning and development on an inter-community and countywide scale. In Clinton County, the County Legislature has given the County Planning Board review authority over those zoning actions described in GML Article 12B Section 239M. For more information, please visit the Clinton County Planning Board Website.*

**^ All County Planning Board Meetings are scheduled for a start time of 5:15 PM. The meeting place is the First Floor Meeting Room of the Clinton County Government Center, 137 Margaret Street, Plattsburgh NY, unless otherwise noted.**
