Inmates and detainees are under 24-hour supervision by professionals, except when on approved leave. If the use otherwise complies with this definition, a correctional facility may include, by way of illustration, a prison, jail, juvenile detention facility, customs and immigration detention facility, or probation center.

Amending the Schedule A Use Table to allow Public Building/Use in the following districts subject to Site Plan Review: R2, R5, NC, I, A1, A2, C, SC, T6, T5, T4, T3C, SD

Amending the Schedule A Use Table to include Correctional Facilities and to allow them in the following district subject to Special Use Permit: Industrial (I)

WHEREAS, at its regularly scheduled meeting on January 15th, 2026 the Town Board of the Town of Plattsburgh (the “Town Board”) adopted resolution 026-026 instructing the Town Planning and Community Development Department to conduct research and make recommendations regarding standardized definitions for Public Building/Use and their permitted locations; and

WHEREAS, pursuant to Article XIII, Section 13.3 of the Town of Plattsburgh Zoning Ordinance, all proposed zoning amendments originating by petition or by motion shall be referred to the Town of Plattsburgh Planning Board (the “Planning Board”) for a report and recommendation thereon; and

WHEREAS, the Planning Board did submit its report to the Town Board within forty five (45) days of receipt of such referral in accordance with the provisions of said Zoning Ordinance; and

WHEREAS, said public hearing was held by this Town Board at the Town Hall at 151 Banker Road, Plattsburgh, New York, on March 5th, 2026 at 6:05 P.M. ; at which time the proposed Zoning Ordinance amendment and SEQRA materials were available;

WHEREAS, on March 17th, 2026 the Town of Plattsburgh Planning Board by a vote of 6-0 via resolution #26-24 adopted their Findings and Recommendations Report to be submitted for review and acceptance by the Town Board; and

WHEREAS, on March 19th, 2026 the Findings and Recommendations Report of the Planning Board was received and accepted by the Town Board via resolution #026-088;

WHEREAS, the Town Board has previously declared the zoning map amendments to be a Type I Action and a coordinated review was conducted; and

WHEREAS, the Town Board via Resolution Number 026-096 issued a negative declaration of environmental significance under SEQRA for the proposed zoning map amendment listed above; and

WHEREAS, after review and discussion of the following:

- Planning Board Report and Recommendations dated March 17th, 2026
- The review of part 1 and the completion of parts 2 and 3 of the EAF Long Form (herein SEQRA documentation)
- Comments made at the public hearing on March 5th, 2026
- Written public comments submitted to the Town in absentia
- Staff Review and Recommendation dated March 2nd, 2026
- Negative Declaration of Environmental Significance dated April 2nd, 2026

- Review of other related materials,

It is the opinion of the members of the Town Board that the best interests of the Town of Plattsburgh will be served by the adoption of certain said amendments; and

The proposed amendments are in conformance with the Town's "Master Plan" for the reason's set forth:

The proposed amendments appear to more closely align permitted uses and their definitions with the descriptions of the Town's zoning districts. Importantly, the proposed amendments represent an overall reduction in the potential for development of Public Buildings/Uses in the Town. It would now also be made explicit that Correctional Facilities could only be permitted in the I-Industrial district. Specifically worth noting, large institutional scale uses and structures (like museums, and correctional facilities) would no longer be permitted in the LC, R1, R3, and R4 districts, therefore preserving the rural and residential character for which they were designed. Town currently hosts only one facility that falls under this definition of Correctional Facility, the Clinton County Sheriff's Department (and Jail). This facility is located in the Industrial (I) district and would remain a conforming use per this proposed amendment.

For these reasons, the Town Board finds the consideration of these zoning amendments to reflect the purpose and intent of the collective Town "Master Plan."

NOW THEREFORE BE IT, RESOLVED, that the Zoning Map of the Town of Plattsburgh be amended as follows:

Amending Public Building/Use with the following definition.

PUBLIC BUILDING/USE – A building or structure used for public purposes by any department or branch of town, county, state or federal government including parks, libraries, museums, offices, courts, post offices, municipal infrastructure, police and sheriff sub-stations, and rescue or fire stations. This definition does not include correctional facilities or facilities for the detention, confinement, treatment, or rehabilitation of persons arrested or convicted for the violation of civil or criminal law.

Adding a new definition for Correctional Facility as follows:

CORRECTIONAL FACILITY- Publicly or privately operated facility for the detention, confinement, treatment, or rehabilitation of persons arrested or convicted for the violation of civil or criminal law. Inmates and detainees are under 24-hour supervision by professionals, except when on approved leave. If the use otherwise complies with this definition, a correctional facility may include, by way of illustration, a prison, jail, juvenile detention facility, customs and immigration detention facility, or probation center.

Amending the Schedule A Use Table to allow Public Building/Use in the following districts subject to Site Plan Review: R2, R5, NC, I, A1, A2, C, SC, T6, T5, T4, T3C, SD
